Specials Division: This division is open to all dogs but are intended for dogs that are of a size or stature that limits their jumping ability. A dog may no longer compete in standard titling classes after being entered at any official trial in any Special Class except that they may move to Veterans.

Veterans Division: This division shall be for dogs seven years of age or older that are currently competing in any Standard Agility Class and for dogs five years of age or older who have competed in the Specials Agility Class for a minimum of one calendar year.

Junior Handler Division: This division is open to handlers under 18 years of age as described under the current AAC rules, with a valid Junior Handler identification number. Junior handlers may run under Junior Handler rules or under or as a Junior Handler under regular rules. If competing under Junior Handler rules the title is awarded to the handler and not the dog.

Class Descriptions:

Standard Class: This class demonstrates proficiency on all agility obstacles in a numbered course.

Gamblers Class: This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the Opening Sequence and successfully complete the Gamble.

Snooker Class: This game demonstrates the handler and dog's versatility as they work together against the clock. The object of this game is to accumulate as many points by successfully completing as many obstacles as possible in the prescribed order within time.

Jumpers Class: This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of hurdles and tunnels as prescribed by the judge.

Steeplechase: This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters levels.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.
